

With Halloween behind us the Holidays are quickly heading our way requiring much preparation.

This year Sanborn School District will be hosting a giving tree . All children living in the household of those who choose to participate are eligible to receive gifts through the giving tree. If your family is in need this year and you are interested in receiving gifts please let us know the name, age, gender and a few gift requests for each child living in your home. The names of those participating are completely confidential.

Each gift request should follow the guidelines of something you want, something you need, something to wear and something to read. We request a \$25 limit per gift. You can e-mail your list to the school nurse, send a list into the nurse's office via a sealed envelope with your student or call us with your list. The nurses across the district are organizing this together this year so if you have students in multiple buildings you can send your list with all of your children to any one of us.

Please feel free to call or email with any questions. We need to have all gift requests in by Nov 23rd. For planning purposes, if you want to receive gifts from the giving tree we would appreciate a quick note as soon as possible just to let us know so we can keep an eye out for incoming lists.

If you want to purchase gifts for the families within our community that have needs this year through the giving tree watch your e-mail the first week of Dec as we will be sending out a district wide Sign up Genius.

Thanks,

The Sanborn School Nurses

High School Nurse	Camille Mawhinney RN	cmawhinney@sau17.net
Middle School Nurse	Tracey Gilmartin RN	tgilmartin@sau17.net
Memorial School Nurse	Cindy Cole RN	ccole@sau17.net
Bakie School Nurse	Julianne Herrick RN	jherrick@sau17.net
