

## *Did You Know?*

*by Annie Collyer, Chairman Sanborn Budget Committee*

*Did you know that the Sanborn Regional School District Budget Committee met on October 12 with the new Business Administrator Michele Croteau, to review the format in which the Administration's spending and revenue projections for the District will be communicated this year? Ms. Croteau has been establishing procedures for the financial order of the District, with the goal of being as transparent as possible.*

*The initial budget meeting will be held on Wednesday, November 1 at 6 pm in the High School library in a joint meeting of the Budget Committee and the School Board. The public is invited to attend and/or to view the video that will be available on the SAU17 website, to be fully informed. The Budget Committee, which has the duty to prepare and present the budget to the voters on February 7, 2018, will hold two-three other joint meetings with the School Board to make sure the budget aligns with District goals for education, with prudent attention to the funding provided by the taxpayers of the community. The members established their calendar of budget development meetings as well as guidelines for conducting their business.*

*The minutes, once approved, and the video of the meeting, the Budget Committee Guidelines and the calendar for the Budget process are available on the District website [www.SAU17.org](http://www.SAU17.org).*
