End 68 Hours of Hunger

Dear Parents and Guardians,

The Sanborn Regional School District partners with *End 68 Hours of Hunger*, a local nonprofit food program whose mission is to help families in need feed their children over the weekend. This program helps provide students with extra meals from Friday evening through Sunday evening, helping them be better prepared to come to school on Monday morning nourished and ready to learn. All food is non-perishable and easy to prepare. We collect food items for *End 68 Hours of Hunger* at all schools to support our local families. *Please note that this is a non-profit organization and not a District sponsored program.*

If you feel this is a program from which your child could benefit, please fill out the permission slip below, and return to your child's school counselor! Your child will receive a bag of food on Friday afternoons.
