Dear Students and Families,

We hope that you all had a nice weekend and Happy Mother's Day to all the Mom's in our community.

SRMS Booster Meeting - The next SRMS Booster meeting is this Tuesday, May 14th from 6:30-7:30 in the SRMS/HS library. All families and staff are welcome to attend.

Southeast District Band & Chorus Festival - On Saturday, May 4th at Oyster River Middle School, SRMS students Avery Meehan, Paetyn Langham, Zoe Finn, Gwen LaValley, Sage Jackson, Allison DeGruttola, Hailey Boyd, Josh Ortiz, and Mikey Wood represented our school in the Southeast District Band & Chorus Festival. The students did an amazing job and had a wonderful experience.

8th Grade Dinner & Dance Cruise and Promotion Ceremony - Attention all 8th-grade students and families, the 8th-grade dinner & dance cruise will be on the evening of Monday, June 10th. An event flyer is on page 4 below. If you have any questions about the event, please contact the middle school's main office.

SAVE THE DATE: The ***8th Grade Promotion Ceremony*** will occur on the last day of school, June 12th at 9:00 am in the SRMS/HS auditorium. All 8th grade families are invited to this event, which will conclude by 10:00 am. Additional information about the ceremony will be sent home to families soon.

NHSAS Testing - This week marks the final NHSAS test for 2024 as all students will be taking the math assessment on Wednesday, May 15th. To help ensure that our students are prepared for these assessments, please remind them to come to school with their Chromebooks fully charged. If you could also encourage them to get a good night's sleep and have a healthy breakfast, we would appreciate it. For more information about the assessments, including purpose, exemptions, results, practice tests, and more, please [click here](#).

Spring Sports Update - The spring sports season is in full swing! To view sports schedules, please click the link below.

End 68 Hours of Hunger

Dear Parents and Guardians,

The Sanborn Regional School District partners with *End 68 Hours of Hunger*, a local nonprofit food program whose mission is to help families in need feed their children over the weekend. This program helps provide students with extra meals from Friday evening through Sunday evening, helping them be better prepared to come to school on Monday morning nourished and ready to learn. All food is non-perishable and easy to prepare. We collect food items for *End 68 Hours of Hunger* at all schools to support our local families. *Please note that this is a non-profit organization and not a District sponsored program.*

If you feel this is a program from which your child could benefit, please fill out the permission slip below, and return to your child's school counselor! Your child will receive a bag of food on Friday afternoons.

If you have any questions, please contact any of our counseling staff.

THE SEACOAST SCHOOL OF TECHNOLOGY
PRESENTS THE 15th ANNUAL
SUMMER CAMPS FOR MIDDLE SCHOOL STUDENTS

Exciting summer camps will be offered once again to students who are **currently** in the 5th, 6th, 7th or 8th grade. One-week camp sessions will take place during the week of June 24, 2024. Each day's session will run from 8:00 a.m.-12:00 noon. Students are responsible for their own transportation. No food will be served. Each camp will run contingent upon enrollment. A student will be considered enrolled once the enrollment and medical forms are complete and a check made payable to the Seacoast School of Technology has been received and cleared. **Camp sign-ups will begin on Monday, March 25, 2024. Registration forms must be postmarked no earlier than Friday, March 22, 2024.** The following camps will be offered on a first-come, first-served basis:

Become a Builder
Week of June 24

Want to learn basic knowledge of hand tools and power tools? Want to learn proper safety techniques to use in a workshop or on a construction site? Sign-up for this camp and each day you will build an exciting new project with the tool of the day. Campers are required to wear pants and no open-toed shoes. Limit 12 students. Total cost \$145.00.

Culinary Arts
Week of June 24

Do you love to bake? Spend a week in our Intro to Baking Workshop! You will practice making new and exciting varieties of cookies, pies and tarts, filled cupcakes, quick breads and yeast breads! You will learn how to use professional tools and equipment while preparing all of these delicious confections. Note: long pants, closed-toed shoes and hair tied back are a safety requirement. Limit 14 students. **Total cost \$160.00, this includes a chef hat.**

Engine Overhaulin'
Week of June 24

Embark on a thrilling journey into the world of automotive repair at Seacoast School of Technology's summer camp! Led by expert instructors, campers will explore essential maintenance techniques using professional-grade tools. From oil changes to brake inspections, they'll dive into hands-on activities in a safe, enjoyable environment. The highlight? Dismantling and reassembling an engine to uncover its secrets. Join us for an unforgettable and fun-filled adventure in auto repair! Secure your spot today. Limit 12 students. Total cost \$145.

For the required application and health form, go to **sst.sau16.org**. As a program fills, it will be listed on the website.

Adventurelore's Summer Camp is a historically safe high-adventure coed outdoor living experience designed to offer challenging and successful experiences for children and adolescents. Under professional supervision and guidance, adventurers will gain self-esteem and personal confidence through adventurous, exciting and FUN filled activities, while acquiring outdoor living skills. These skills have been proven to be physically and mentally beneficial to individuals of all ages. We strive to help youth unfold positive attitudes about themselves and their peers in outdoor surroundings through exposure to both individual and group challenges.

Ryan's Message

Summer camp is one of the most amazing experiences you can provide your child. At Adventurelore we believe that camp is more than just having fun. It's about having fun while making new friends, great memories and learning valuable life skills. When our campers return home we want them to have had the best adventure of their lives while also a feeling like they learned life lessons and skills they can use as they grow into teenagers and young adults.
