**Academic Awards Night** @6:00pm - SRHS Auditorium - please note, this event is by invitation only

**Saturday, September 23rd: Homecoming Dance** 6:30pm-9:30pm SRHS Cafeteria

### A Message from Administration:

Dear Sanborn Students and Families,

It was a steamy week around Sanborn. Students and staff made the best of the hot classrooms. Mr. Ambrose surprised everyone with a popsicle treat Wednesday afternoon. It helped beat the heat. Hopefully the building will be cooler this week as the temperatures return to the mid 70's.

This upcoming week is relatively quiet ahead of a busy Homecoming week including the Senior College Information Night, the College Fair, Open House, and Academic Awards Night. More information will be coming out next week as will the invitations to the Academic Awards Night which is by invitation only.

We are looking forward to another great week!

Please reach out if you have any questions!

Best Wishes From Your School Administrative Team,

**Jennifer Michitson**  
Principal

**Dr. Robert Dawson**  
Assistant Principal  
Athletic Director

**Nichole O'Brien**  
Assistant Principal  
Curriculum

**Heidi Leavitt**  
Counseling Director

**Louie Vigars**  
Assistant Principal

For more information regarding HS sports, including contact information for coaches, schedules, etc. may be found here: [HS Athletics Update](#). Fall schedules may be found on the [Combined Schedule](#). Questions may be directed to Athletic Director Dr. Bob Dawson, at [rdawson@sau17.net](mailto:rdawson@sau17.net)

## September Counseling Office News:

The beginning of the year is a whirlwind for the counseling office. However, schedule changes are complete and students seem to be settling into their classes. Counselors have been reaching out to parents of students who have 504 plans to review the plans and schedule meetings. If your child has a 504 plan and you would like to update the plan, please reach out to their school counselor to schedule a meeting.

Senior Post-High School Planning Kickoff! There are many events happening for Seniors in September.

- ★ On September 18th at 6pm in the SRHS library. We will be talking about the changes to the Financial Aid process, Scoir - the online college and career planning tool, College Guidance Network, the Common Application and Letters of Recommendation. Counselors will be hosting weekly college labs during advisory/academic work time block to help students with their college search process.
- ★ On September 20th, SRHS will host our Annual College Fair. Over 65 colleges, the military, trade schools and technical programs as well as GAP year programs will be represented at the fair. All students will have an opportunity to visit the fair and ask questions.
- ★ On September 21st, we will have our Academic Awards night. Invitations to the awards ceremony will be arriving in the mail soon.
- ★ On October 16th at 6pm in the library, we will host the NH Higher Education Assistance Foundation and they will present a thorough overview of the changes in the Free Application for Federal Student Aid (FAFSA). You will definitely not want to miss this presentation if your student is heading off to either a 2 year or 4 year college.
- ★ Finally, all Seniors will be having individual meetings with their school counselor to sign an intent to graduate form. Students will identify the type of diploma they will be earning and they will identify any requirements outside the school day that need to be completed in order to walk across the stage in June.

## Homecoming is Coming up FAST:

SANBORN REGIONAL HIGH SCHOOL IS LOCATED AT  
17 DANVILLE ROAD, KINGSTON

**Club, Organization and Classroom Happenings:**

**Sanborn Senior to participate in the Marine Science Fellowship program at the Seacoast Science Center in Rye, NH**

Congratulations to Lila Woekel for being accepted into the Marine Science Fellowship program at the Seacoast Science Center in Rye, NH! Acceptance into the program is very competitive and gives students a greater understanding of marine science through inquiry, investigation, and hands-on experiences. Lila's involvement with the Sanborn Submariners led her to consider a career in marine science, and her participation in this program will give her invaluable experience toward her journey to work in the marine science field. Congratulations Lila!
